BENEFITS OF EXHIBITING

Who Attends the COS Annual Meeting?

The Clinical Orthopaedic Society's Annual Meeting is the meeting of choice for over 175 orthopaedic surgeons practicing nationwide. DOs and Allied Health Professionals also attend the meeting to stay ahead of the curve in the field of orthopaedics. The COS provides continuing medical education to those individuals who are on the forefront of both scientific and socioeconomic orthopaedic causes.

Why Choose COS To Exhibit?

Understanding the importance of our exhibit partners, COS strives to make sure your exhibiting funds afford you plenty of face-time with our attendees. We believe these connections are as valuable to our attendees as they are to you. Exhibiting with the COS provides you the benefit of the following:

Dedicated Time With The Attendees

All **breakfasts** and **lunches** are served in the exhibit hall. We arrange the exhibit hall so that food and beverages are strategically placed to maximize traffic for everyone. Additionally, we have the **President's Welcome Reception**, a two-hour social event with drinks and heavy hors d'oeuvres in the exhibit hall. This event is well attended and usually exceeds the time scheduled because of the positive experience. It's a great setting to develop relationships with the doctors. We have several **breaks each day** and give out prizes valued at approximately \$275 per day in the exhibit hall. Doctors are required to have a card stamped by numerous exhibitors in order to be eligible for the prize. We find that in addition to the general interest in your products and services, the prize is a great incentive to drive traffic to you.

FREE Pre-Meeting Attendee Mailing List

Exhibitors will receive a complimentary pre-registered attendee mailing list as it becomes available before the meeting. You can use the list to promote your products/services in advance and potentially boost traffic at your booth.

FREE Post-Meeting Attendee Mailing List

To assist you in your post-meeting marketing efforts, COS will supply, upon request, a FINAL list of registrants which will allow you to conduct follow-up correspondence with registrants via mail.

Attendance at the Scientific Portion of the Meeting

To better prepare and equip your sales force, COS welcomes and encourages your registered representatives to attend the scientific program portion of the meeting. This will enable your company to gather the most current and relevant information in the orthopaedic field, further build rapport with the attendees, and gain a competitive advantage in the industry.

Acknowledgement in the Scientific Program

Your company will be listed in the Scientific Program along with contact information, website address, and a brief company description.

Personalized Onsite Assistance

Clinical Orthopaedic Society (COS) strives to make your exhibiting experience the best business investment possible. We appreciate your involvement and look forward to partnering with you for many years to come. To ensure a positive experience and productive meeting, we have a dedicated COS Onsite Coordinator available to assist you with locating doctors and making exhibit arrangements.

Travel and Hotel Information

Meeting Hotel

Crowne Plaza Union Station
123 West Louisiana St
Indianapolis, IN 46225

To reserve a room, call the hotel at (317) 631-2221. Mention you are attending the COS Annual Meeting to ensure you receive the discounted group rate.

The hotel is about a 25-minute drive from Indianapolis International Airport (IND).

Interested in maximizing your exposure to COS attendees? Become a meeting sponsor.

COS offers multiple sponsorship levels to allow you to stand out and enable you access to additional social environments to meet with medical professionals. In addition to providing you with additional representative badges and, at the Gold and Platinum levels, an increased booth size, each level either includes, or provides a discount, on the additional opportunities below. Please see page 4 for a list of each sponsorship level and the benefits included, or the discount afforded to you to purchase additional exposure opportunities.

Pre-Meeting Advertising

As a sponsor, you will have the opportunity to include sidebar advertising for your company in one of the pre-meeting emails sent to every member of COS. This is a great way to reach every member of the association, even if they are unable to attend the meeting. As a Platinum or Gold sponsor, you will also have the ability to run a banner ad on the COS website, which receives additional traffic as our registrants sign up for the meeting.

Full-page color advertising in the *Journal of Surgical Orthopaedic Advances*

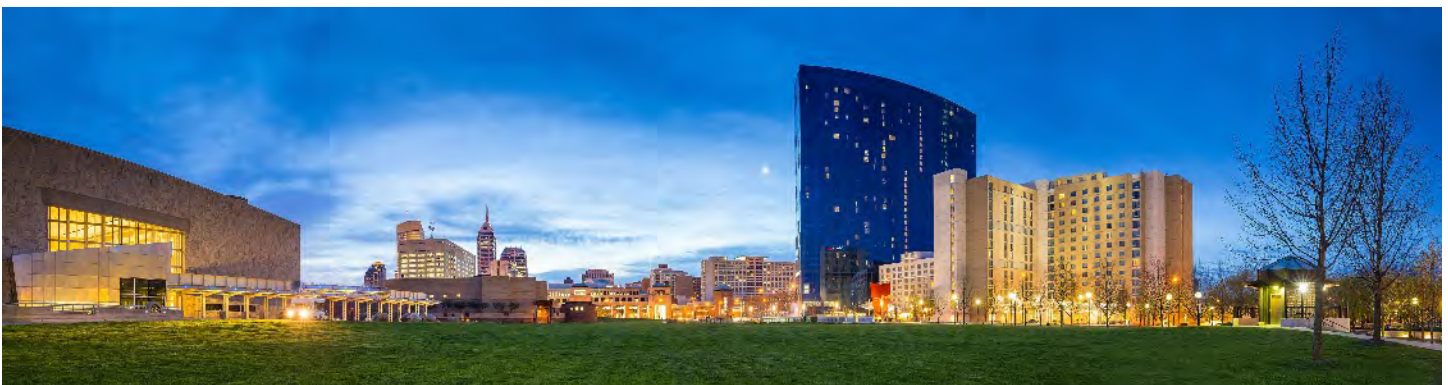

The *Journal of Surgical Orthopaedic Advances* is the official journal of the Clinical Orthopaedic Society, as well as the Eastern, Western and Southern Orthopaedic Associations. With a distribution to over 4,000 orthopaedic surgeons nationwide, this opportunity provides the ability to reach a wide audience.

Welcome Packet Advertising

Provide us with a flyer or advertisement to include in our meeting registration packets. There is no better way to immediately make your presence known to meeting attendees.

Door Drop Advertising (3 available)

Hosting an Industry Workshop or have products to promote? As a sponsor, you may have the opportunity to provide COS with a door drop to be distributed to all the COS attendees staying in the meeting hotel.

Registration and Badge Pick-Up

Exhibitor check-in and set-up is scheduled for 12:00 pm – 5:00 pm on Wednesday, September 13, 2017. A meeting packet with exhibitor identification badges will be distributed upon check-in at the Exhibitor Registration Desk. All onsite representatives and spouses/guests who will attend the meeting must coordinate participation through their respective company. The number of onsite representatives varies by exhibit level (see chart on p. 4).
