Maximize your exposure to COS attendees - Become a meeting sponsor.

COS offers multiple sponsorship levels to allow you to stand out and enable you access to additional social environments to meet with medical professionals. Sponsorship levels provide you with additional representative badges, and at the Diamond, Platinum & Gold levels, increased booth size. Each level either includes, or provides a discount on the additional opportunities below. Please see page 4 for a list of all sponsorship levels and the benefits included or the discount available to purchase additional opportunities.

Pre-Meeting Advertising

As a sponsor, you will have the opportunity to include sidebar advertising for your company in one of the pre-meeting emails sent to every member of COS. This is a great way to reach every member of the association, even if they are unable to attend the meeting. As a Diamond, Platinum or Gold sponsor, you will also have the ability to run a banner ad on the COS website, which receives additional traffic as our registrants sign up for the meeting.

Full-page color advertising in the Journal of Surgical Orthopaedic Advances

The Journal of Surgical Orthopaedic Advances is the official journal of the Clinical Orthopaedic Society, as well as the Eastern, Western and Southern Orthopaedic Associations. With a distribution to over 4,000 orthopaedic surgeons nationwide, this opportunity provides the ability to reach a wide audience.

Welcome Packet Advertising

Provide us with a flyer or advertisement to include in our meeting registration packets. There is no better way to immediately make your presence known to meeting attendees.

Showtime Breakfast/Lunch Presentation

Have a new product or procedure you want to debut or promote? As a Diamond, Platinum or Gold sponsor, you may have the opportunity for a presentation over breakfast or lunch in our main scientific program room. There will be no competing scientific events during this time period.

Door Drop Advertising

Hosting an Industry Workshop or have products to promote? As a sponsor, you may have the opportunity to provide COS with a door drop to be distributed to all the COS attendees staying in the meeting hotel.

Registration and Badge Pick Up

A meeting packet with exhibitor identification badges will be distributed upon check-in at the Exhibitor Registration Desk. All onsite representatives and spouses/guests who attend the meeting must coordinate participation through their respective company. The number of onsite representatives varies by exhibit level (see chart on p. 4).

**EXHIBITOR BADGES MUST BE WORN THROUGHOUT THE DURATION OF THE MEETING.
They are proof of registration and are required for admittance to all functions and social events.**
